TRANSLATION

- Palm wine merchant Where're you heading for, ladies?
- Teman Titin We have to take this to the wives of the police precinct.
- Palm wine merchant Have a sip of my palm wine ...

Teman Titin Not now, brother.

Palm wine merchant What about you, Titin? Please, drinking palm wine on a hot day like this can be felt up to here.

Titin Not now, brother, we're in a hurry.

Palm wine merchant C'mon, ladies, it won't take longer than five minutes, please.

Titin Yes, but thank you. Another time, okay.

Palm wine merchant Ladies, the taste of my palmwine is no longer it used to be. It's much sweeter now, and it doesn't contain chemicals. It's pure from the tree, ladies.

Titin Yes, thank you. Just another time, brother.

Palm wine merchant It's free, ladies, please, it's free. Oh what a pain [Sundanese language phrase]. And I am so in love. This raging love. How miserable...
